# What we do...

## Computer & Network Solutions:

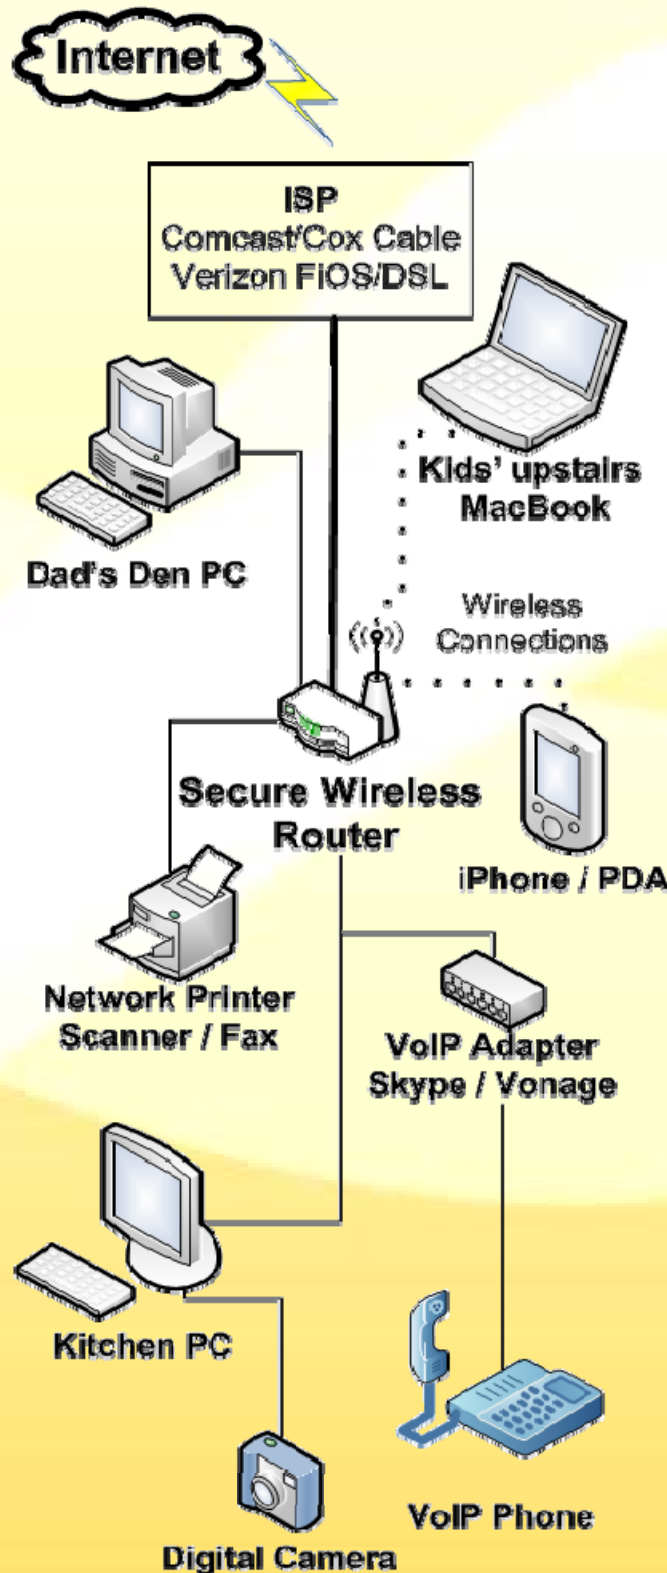

- ◆ Design, build, and deploy a network (connect multiple computers and peripherals)
- ◆ Purchase and install computers tailored to your needs
- ◆ Install Blu-ray, HD, and DVD-Writers, Videocards, Soundcards, and Network Cards
- ◆ Upgrade hard drive/memory capacity
- ◆ Install third party software
- ◆ Individual training on use of software and peripheral equipment

## Phone Systems Solutions:

Install a phone system that includes the following features:

- ◆ Intercom system
- ◆ Paging system
- ◆ Multiple voice mail boxes
- ◆ Automatic line selection
- ◆ Multiple phone lines

Significantly cut down telecommunication costs by using VoIP phone lines for your phone system or normal phones
